WHY become Partner / Sponsor DRSD -2019

Become a partner of the “International Symposium on – “Disaster Resilience and Sustainable Development”, 7 - 8 March, 2019 and achieve the following benefits for your organisation:

1. Generating opportunities to establish new networks and partnerships: DRSD -2019 offers a chance to build or strengthen partnerships with international and local governments, private organisations, Civil Society Organisations and other NGO’s that are active in DRR and Sustainable Development.

2. Receiving the opportunity to develop new products and services in relation to your goals and in line of your organisational work.

3. Being associated with something positive: being featured at the Conference, on our website, and in other marketing materials will allow you to leverage your brand recognition and will confirm your organisation’s commitment to Disaster Risk Reduction (DRR) and Sustainable Development to building resilient communities.

4. Marketing and promoting your company, products and services inexpensively: Displaying and speaking at the Conference regarding the organisation’s focus areas, corporate social initiatives under CSR, or other topics related to Disaster Risk and Sustainable Development.

5. Establishing your organisation as an authority or expert in DRR and SDG: by partnering with DRSD-2019, you are showcasing your expertise in DRR and Sustainable Development and developing credibility for your work and initiatives.
